

SAN DIEGO

Volvo Sports America

MEMBERSHIP APPLICATION

The San Diego chapter of Volvo Sports America invites you to join us. We are dedicated to the preservation and restoration of vintage Volvo motorcars. The club was founded by P1800 enthusiasts Jon Keebler and David Pollock in 1976. Though the club was formed around the P1800 model, all vintage and newer Volvo and Saab owners are welcome to join and contribute. SDVSA has called meetings, tech sessions, swap meets, picnics, social events and a quarterly newsletter. Calendar Year membership is only \$20. Please fill out the information below, make a check out to **San Diego Volvo Sports America**, and send the application and check to:
